

# Reference Guide

for Hanger Direct  
*Custom Orthosis Packages*

The following is a quick reference guide for ordering Spinal Technology's custom orthosis packages assembled specifically for Hanger practitioners, to facilitate easy ordering. Each orthosis has a **Package Number**, as well as three simple selections when ordering:

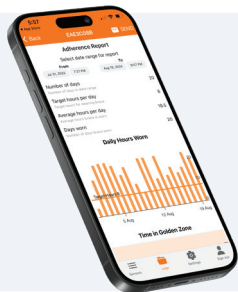

- **By Measurement**
- **By Cast or Scan**
- **By Measurement & Weekend Fabrication**

There is a brief description as well as an **Icon Key** reference of what can be included in each package. As always, we look forward to working with you and providing high-quality customer service and craftsmanship that you have come to expect from us. We are happy to take your custom orders via phone, fax, or email. However, as instructed by Hanger Supply Management, *all Spinal Technology orders must have a matching purchase order* from Hanger Direct. After placing your order with us, you must then **immediately issue a requisition/purchase order through Hanger Direct** that matches the item numbers and quantities we supplied to you when you placed your order.

Spinal Technology is dedicated and committed to creating a smooth transaction using the Hanger Direct service for you, the Hanger practitioner. If you have any questions, please contact Customer Service at **(800) 253-7868**.

# Introducing **stWear™** Compliance Monitoring System

A new and improved brace compliance monitor for your patient.

## WHAT'S NEW

- Sleek design
- Extended battery life
- Web-based clinician interface
- Share data between physicians, parents and orthotists
- Parent access through **stWear™** smartphone app

Package: **STTRACKB**

## Get the NEW **stWear™** Compliance Monitoring System from Spinal Technology

- ✓ The new and improved compliance monitor will replace our stTracker compliance system.
- ✓ Please ask our customer service team to add a new compliance monitor to your next order.
- ✓ The new **stWear™** Compliance Monitoring System can be added to any custom orthotic devices and can be purchased with or without your custom scoliosis orthosis from Spinal Technology.
- ✓ Once we set you up with a new account, it is easy to see your patient's data in between follow-up appointments.
- ✓ Parents get their own login, and can help monitor their child's success through the app.

Learn more at [Spinal.Tech/stWear](https://Spinal.Tech/stWear)  
or download your **stWear™** app today.

### Custom Scoliosis Orthosis (By Measurement)

Custom Scoliosis Orthosis, Finished, Full-Time, or Providence®. Including transfer paper, up to 3 decals, colored straps, and gusset. Custom to patient measurements.

Package: **HS3**

### Custom Scoliosis Orthosis (By Cast or Scan)

Custom Scoliosis Orthosis, Finished, Full-Time, or Providence®. Including transfer paper, up to 3 decals, colored straps, and gusset. Custom to cast or scan of patient.

Package: **HS3A**
