November 30, 2022

Dear Valued Customer,

All of us at Spinal Technology are grateful for the chance to serve you. We are committed to improving your patient outcomes and providing your clinical practice with uncompromising quality products, customer service, and ongoing educational support.

Inflation is a challenge affecting all of us and Spinal Technology has faced double digit % increases in labor and material costs over the past year. We remain mindful of the profit pressures on your practice in these difficult times and we always strived to hold increases to the minimum possible.

Effective January 1, 2023 the price of most Spinal Technology products will change. Scoliosis products will increase by approximately 5%, and our Custom and S.T.O.P braces by approximately 4%. Pricing for the Spinaloc X Series pre-fabricated line will remain unchanged. This 30-day notice is provided to assist you in planning for the upcoming year, and we will shortly update our detailed price list.

We will honor current pricing on all orders placed by December 31, 2022.

We appreciate your business and are confident that we will continue to meet and exceed your expectations of exceptional products and services. If you have any questions on this change, please feel free to contact me at (508) 957-8354 or Kris_H@spinaltech.com.

Sincerely,

A handwritten signature in black ink that reads "Kris A. Hales". The signature is written in a cursive, flowing style.
