Dear Valued Customer,

All of us at Spinal Technology are grateful for the chance to serve you.

We constantly evaluate and source the highest quality materials and employ the industry's most experienced technicians. We recognize this commitment to high standards comes at a higher cost. Despite our ongoing productivity improvements, we are compelled to pass on a portion of these costs to continue our commitment to provide you with uncompromising quality products, customer service, and ongoing educational support.

Effective January 1, 2024 the price of most Spinal Technology products will increase by approximately 3%. This 30-day notice is provided to assist you in planning for the upcoming year, and we will shortly update our detailed price list.

We will honor current pricing on all orders placed by December 31, 2023.

We appreciate your business and are confident that we will continue to meet and exceed your expectations of exceptional products and services. If you have any questions on this change, please feel free to contact me at (508) 957-8354 or Kris_H@spinaltech.com.

Sincerely,

Kris A. Hales
